RUPIN MAHARJAN

Godawari-12, Lalitpur, Nepal | rupinmaharjan07@gmail.com | +977-9861771151 | github.com/rupinmhj

Professional Summary

Computer Science student and well-rounded IT professional with experience building responsive, user-friendly, and scalable web applications using modern JavaScript frameworks and libraries. Skilled in developing intuitive user interfaces, optimizing application performance, and translating design concepts into seamless digital experiences. Proficient in React, Next js, JavaScript, HTML, and CSS, with a strong understanding of component-based architecture. Passionate about writing clean, efficient code and delivering impactful user experiences.

Experience

Frontend Developer *Apr 2025 – Present*
Kantipur Infotech, New Baneshwor, Kathmandu

- Developed responsive web applications using Next.js, React.js, Framer Motion, JavaScript, HTML, and CSS.
- Built reusable frontend components to improve scalability and maintainability.
- Integrated REST APIs and optimized frontend performance for smooth user experience.

Data Analyst Intern June *2023 — August 2023*
MPercept, Lalitpur, Nepal

- Performed data cleaning, preprocessing, and transformation for analytical insights.
- Used Python (Pandas, NumPy) for data manipulation and analysis.
- Created visualizations using Matplotlib and Seaborn to identify patterns and trends.
- Assisted in generating reports to support decision-making processes.

Technical Skills

- **Programming:** JavaScript, Python, SQL
- **Frontend:** React, Next.js, HTML5, CSS3, Tailwind CSS, React Query, Mantine, Responsive Design
- **Libraries & APIs:** REST API Integration, React Ecosystem Tools
- **Tools:** Git, GitHub, GitLab, VS Code
- **Core Areas:** Frontend Development, UI/UX Implementation

Projects

Workofile - Job Portal Web Application *2025 – 2026*
https://www.workofile.com

- Built a responsive job portal using React with focus on performance and UX.
- Implemented job search, filtering, and detailed job views.
- Integrated REST APIs for authentication and job management.
- Added real-time features using WebSockets for live updates.

Workohub - Freelancing platform *2026*
https://workohub.com/

- Fully-fledged digital freelancing platform based in Nepal designed specifically to bridge the gap between local/ international clients and local freelance professionals.Implemented job search, filtering, and detailed job views.
- Focus on responsive, high-performance UI ensures that Workohub's multi-step freelancer verification and profile transfer flows remain fast and intuitive across all devices
- Added real-time features using WebSockets for live notifications and messages.

Restaurant Ordering System (Menu Scanning & Cart) *2026*
https://restrosquare.com/

- Implemented menu scanning, cart management, and order flow features.
- Developed interactive UI for adding/removing items from cart.
- Integrated APIs for order processing and state management.

E Learning – Exam Preparation Platform *2026*
https://learning.kantipurinfotech.com/

- Built a learning platform for exam preparation with a landing page, log-in and learner dashboard.
- Implemented the dashboard with courses, books, exams, championships, a points wallet and purchase history.
- Added a sidebar for Discover, Library, Live Classes, Exam, Championships and Purchased Items, with a switch between exam domains.

MNC College – College Website *2026*
https://mnc-college.vercel.app/

- Built the website of Modern Nepal College, Kathmandu, with Next.js (App Router) and Tailwind CSS.
- Created pages for programmes, admissions, scholarships, events, student life, results, alumni, blog, notices and FAQs.
- Implemented admission tools: an eligibility checker, a fee calculator and a multi-step application form with validation.

Orange – Leather Bags Website *2026*
https://orange-nepal.vercel.app/

- Built a website for ORANGE, a Kathmandu brand of handcrafted leather bags.
- Implemented a full-screen home page, with Maison, Shop, Heritage and Contact pages in the menu.
- Added a shop page with search by name or description, category filters and discount badges.

Education

Bachelor of Science in Computer Science and Information Technology (BSc CSIT) *2021 – 2025*
Tribhuvan University, Nepal

Certifications

HackerRank SQL Certificate *2023*

- Validated SQL skills including queries, joins, and database problem-solving.

Leadership & Strengths

- Team Collaboration and Communication
- Problem Solving and Analytical Thinking
- Project Execution and Planning
- Continuous Learning Mindset
